PersCert TÜV conducts the exams and after successful completion the participants receive their PersCert TÜV certificate which demonstrates their ability to apply knowledge, skills and personal attributes. Thanks to the extensive portfolio of PersCert TÜV, your participants can have many skills assessed immediately, especially in the following areas:

- Occupational Health and Safety
- Project Management
- Future Energy
- Quality Management
- IT/ Cybersecurity/ Data Protection
- Sustainability

WHAT IS THE VALUE TO YOUR TRAINING ORGANIZATION?

- As a PersCert TÜV approved partner, you demonstrate that your training courses provide a high level of competence in relation to professional requirements - worldwide.
- We frequently provide our training partners updated information on competences. Thus, you receive a regular update on your training curriculum.
- To better reflect professional endeavors PersCert TÜV certification programmes and exams are regularly assessed and revised.
- With our competence assessments of your trainers, you can ensure highest quality of your trainings.

WHAT IS THE VALUE TO YOUR PARTICIPANTS?

- Our PersCert TÜV examinations focus on international competence requirements with business-related and industry demanded certifications to booster the career of your participants.
- They want recognition for their further training and our PersCert TÜV certifications show credible evidence of their competence.
- The significance of their qualification is increased by an independent examiner.

YOUR PROOF OF COMPETENCE FROM EXPERIENCED HANDS.

PersCert TÜV is TÜV Rheinland's independent, cross-topic and cross-sector certification body with locations all over the world. We assess acquired and existing qualifications in accordance with the principles of internationally recognized standards (ISO/IEC 17024). The certificates of PersCert TÜV represent convincing proof of competence and enjoy an excellent reputation in companies, associations and educational institutions. They improve confidence in their services.
