

Bright spots – Seminar Center at the TÜV Rheinland Akademie in Cologne.

Take advantage of our seminar offers and inspire your guests.

Atmosphere and organization are indispensable for your seminar's success.

For promising encounters in a pleasant working and learning atmosphere.

Whether symposium, training, seminar, meeting, conference, workshop, lecture, discussion, presentation or course – nothing is impossible. Our team provides a professional framework.

Are you looking for the right setting for a successful event? In our Seminar Center, with its sweeping architectural lines, we can fulfill your requirements in an exclusive space. The elegant architecture creates an atmosphere of openness, lightness and transparency. In the design of our seminar rooms, equipped with state of the art technology, the needs of discerning business clients have been taken into account. We are happy to offer support with our expertise and organization.

Seminar rooms

18 air-conditioned seminar rooms between 31 m² and 150 m² await you. All rooms have both access to natural light and can be darkened. The foyer is topped with a glass dome-shaped roof allowing for plenty of sunlight. In addition, seminar participants have access to an internet café with free Wi-Fi and to a cafeteria, which is open all day. From the cafeteria guests can stroll out to a sunny courtyard and covered smoking area.

Seminar technology

Available free of charge:

- Flipchart with paper
- Overhead projector
- Screen and projector (integrated in the rooms)
- Bulletin board
- Media tower
- Microphone
- Lectern
- Camera
- Moderator's kit
- DVD player

New: Video conferences

Plus points.

- Our 40-year experience as a leading educational company informs the design of our seminar facilities.
- Our seminar space offers everything required for an inspiring and motivating event, from the right atmosphere to top-notch technology.
- We can provide a range of room sizes, from 31m² to 150m².
- With us, you can expect the most modern conveniences with air conditioning, natural light, room darkening capabilities, and individual seating layouts.
- All essential services and excellent catering are available throughout the duration of your event.

Seminar service

Our friendly, professional seminar assistance staff is there to support you throughout your event. This means: making copies, faxes, telephone calls, access to e-mail and printer. Wi-Fi is available free of charge in the entire Seminar Center and conference center (main building).

Catering

Our chef de cuisine and his team provide culinary support. You can choose your preferred venue: a meal in the canteen, self-service style; finger food or a lunch buffet in the Seminar Center's cafeteria; or a meal with table service in the VIP dining room.

Location

Situated in the Cologne-Poll district, 4 km from the city center.

Transportation

Very good direct connection to autobahn A559.

Parking

There are 800 parking spaces available free of charge at the Seminar Center. Individual spaces can be reserved by request.
