

Switches

Switches for household and similar fixed electric installations, Remote controlled switches, Time delay switches, LV Switchgear and Controlgear, Disconnectors, Contactors, Motor Starter...

CB, MEEI, ENEC, TÜV Bauart Certificate

Safety testing according to IEC/EN 60947 series, IEC/EN 60934, IEC/EN 61058...

B10d evaluation according to EN ISO13849-1:2006

Product	Description	Standard	Certificates
Switches	Switches for installation, flush or surface type	IEC/EN 60669-1:1999	Test report, CoC, CB, CCA
	Electronic switches for installation, flush or surface type	IEC/EN 60669-2-1:2004	
	Switches for appliances, ordinary design	IEC/EN 61058-1:2002	Test report, CoC, CB, ENEC, CCA
	Disconnectors for distribution assemblies, manual switches for main circuits	IEC/EN 60947-3:2009	Test report, CoC, CB, CCA
	Position switches for control circuits	IEC/EN 60947-5-1:2004	
	Transferswitching equipments	IEC/EN 60947-6:2006	

Product	Description	Standard	Certificates
Solid state relays (SSR's)	Type test	IEC/EN 62314:2006	Test report, CoC, CB

Product	Description	Standard	Certificates
Low-voltage switchgear and controlgear assemblies	One type up to 15kA short-circuit capacity	IEC/EN 60439-1,-2,-3,-4,-5	Test report, CoC, CB, CCA
		IEC/EN 61439-1,-2,	Test report, CoC, CB

Product	Description	Standard	Certificates
Contactors	Contactors, motor starters	IEC/EN 60947-4-1:2010	Test report, CoC, CB, CCA

Product	Description	Standard	Certificates
Circuit-Breakers	Circuit-breakers	IEC/EN 60947-2:2006	Test report, CoC, CB, CCA

Product	Description	Standard	Certificates
Terminal Blocks	Terminal blocks for copper conductors	IEC/EN 60947-7-1,-2	Test report, CoC, CB, CCA
