

Testing and Certification for Electrical Accessories

OUR SERVICES

- Test reports
- Inspection reports
- Standards explanation service
- Global market access (North America, Australia, Brazil, Argentina, Japan, Indonesia, India, Israel, Chile, South Africa, Switzerland, Mexico, Taiwan, Custom Union, G-Mark)

SCOPE AND STANDARDS

Main testing scope	Main IEC testing standards
Plug, socket for household purpose	IEC 60884
Adaptor for household purpose	IEC 60884-2-5
Cable reel for household purpose	IEC 61242
Plug, socket and connector for industrial purpose	IEC 60309
Cable reel for industrial purpose	IEC 61316
Plug, socket, connector and Inlet for EV purpose	IEC 62196
Wall switch for household purpose	IEC 60669
Appliance couplers	IEC 60320
Other connector	IEC 61984/IEC 61535
Time switch	IEC 60730-1/-2-7
Remote control switch	IEC 61058-1
Conduit	IEC 61386
Cable tie	IEC 62275
Cable gland	IEC 62444
Cable ladder	IEC 61537
Distribution board	IEC 61439
Mounting box	IEC 60670/IEC 62208
Power cord	IEC 60227/IEC 60245
Cable tray	IEC 61537
Cable trunking/ducting system	IEC 61084
Powertrack systems	IEC 61534
Battery jumper cable	DIN 72553/ISO 6722
Surge protector (type III)	IEC 61643
Residual current devices	IEC 61540/IEC 62640
