

1st January 2023

TÜV Rheinland Morocco

Immeuble. 6, Q «Route de l' Oasis, B 101 Oasis Square Bureau, rue 3,
Casablanca 20100, Morocco

Dear Mr. Abdellah Ajbili

Notification on Accreditation
Accreditation No AIB 0052 (Scheme ISO/IEC 17020:2012)
[File AC 0012-20]

GCC Accreditation Centre (GAC) notifies you that accreditation of your facility has been:

☒ Granted ☐ Renewed ☐ Extended ☐ Reduced ☐ Maintained ☐ Reinstated

☐ Others:

Your accreditation certificate scope and details of all accredited sites have been published on GAC's website where you can download and make reference to as needed.

Your accreditation cycle duration is renewed as 4-years and validity and continuation of accreditation is subject to undertaking the due assessments, please keep in contact with your assigned GAC contact point/file manager.

As an accredited conformity assessment body (CAB) you are obligated to comply on an on-going basis with the conditions of accreditation as stated under accreditation agreement – AC 2.1 Annex-1.

Whenever possible, GAC encourages accredited CABs to apply the GAC's endorsement to conformity assessment results and promotional materials (ref. to GAC TN6). This practice will enhance the image of your facility with your clients and help to promote increased recognition of accreditation and the GAC.

Yours sincerely

Director General
