

Process flow for Type Approval Certificate

SALEEM Program Technical Regulation for Machinery Safety – Part 3 (Lifting Equipment)

As a gateway for global trade, TÜV Rheinland Arabia will be reviewing all applications belonging to the Machinery Safety – Part 3 (Lifting Equipment) regulation, which will then be submitted to Saudi Standards, Metrology, and Quality Organization (SASO) for final approval.

Here's what you need to know about applying for a Type Approval certificate using the Saber and Jeem1 platforms respectively.

Part 1: Using Saber Platform

-  1. Add product details under **'Add New Product'** (skip this if previously done)
-  2. **Apply for PCoC** under 'Certificate of Conformity Request — Conformity for regulated products'
-  3. Select 'Product' and **add the model number**
-  4. Select **'Region'** based on country of manufacture
-  5. Select 'Conformity Certificates Department' and **send a request**
-  6. Upon receiving an email from SASO, **apply for a Type Approval** on the Jeem1 platform
-  7. **Write a remark** that you would require TÜV Rheinland to review this file and SASO will assign the review request accordingly
-  8. Share the application number with TÜV Rheinland Arabia (assigned as the reviewing body) to **complete the process with SASO**

Part 2: Using Jeem1 Platform

-  **1. Register a user account** on the Certification System (jeem1.saso.gov.sa)
-  **2. Download and fill** the Application Form and Declaration of Conformity Form
-  **3. Apply** for the required Certificate of Conformity Type
-  **4. Attach** the required reports and documents:
 - Copy of Importer CR PDF
 - Test Report, not more than three years from date of issue (standard as per technical regulation requirements)
 - Test Certificate
 - Manufacturer and Importer DOC (Jeem1 forms)
 - Product photos
 - Marking and labeling photos showing model and serial numbers
 - User Manual (Arabic only or Arabic and English)
 - Google Maps link to location of the factory
 - Establishment Address (Importer)
 - Applicant and function of the facility and contact information with name (Importer)

- Factory name, address, and contact details
- Administrative person (Factory)

After paying the issued SADAD bill, your application will be studied and reviewed. Check the 'Action History' page in your application and provide any necessary information or documents.

Important note: Failure to do so in the prescribed period will result in the termination of your application.

Lead time:

- TÜV Rheinland review: 48 hours from the time of submission of the application
- SASO decision: 7-10 days from the time of submission of the application

Note: In order to comply with the lead time, ensure that complete documents are submitted.
