

France - List of safety standards for bicycles and electric-assisted bicycles 29.03.2019 | Global

On February, France published a list of safety standards for Bicycles and Electric-assisted Bicycles.

And a transitional period is provided:

"Products conforming to standards whose references have been published in the Official Journal of the French Republic by the notice of 11 July 2015 may be placed on the market until 13 April 2019 and marketed while supplies last. However, electric-assisted cycles in accordance with NF EN 15194 + A1 (January 2012) can be marketed until April 13, 2020 and marketed while supplies last. "
