

## TÜV Rheinland Italia issues the ISO 9001:2015 Certification to Macron 05.02.2021 | Pogliano Milanese (MI)

**TÜV Rheinland Italia** has certified **Macron**, a leading company in the production and sale of sportswear, in compliance with the ISO 9001:2015 Quality Systems Management.

The collaboration with TÜV Rheinland demonstrates Macron's commitment and dedication in addressing the daily challenges of its sector in the best

possible way. The certification will also allow the company to further distinguish itself on the market for quality, efficiency, innovation and professional approach.

TÜV Rheinland Italia verified the monitoring and improvement of processes, planning of workflows, contributing decisively to the quality of products and services. Effective quality management ensures that both employees and the company are oriented towards the quality and satisfaction of their customers, day by day.

"We are a company that has believed from the beginning in the quality of work processes, in innovation and professional approach, characteristics that make the difference on national and international markets. - commented **Gianluca Pavanello**, CEO of Macron - Thanks to the precious work of TÜV Rheinland Italia we have obtained the ISO 9001:2015 certification, an objective that makes me and us particularly proud and which, in addition to making us aligned with international standards, confirms the goodness of the company choices shared and made up to now, and of those we intend to undertake in the immediate future ".

\*\*\*\*\*

TÜV Rheinland is a global leader in independent inspection services, founded nearly 150 years ago. The group maintains a worldwide presence of more than 20,000 people; annual turnover is EUR 2 billion. The independent experts stand for quality and safety for people, technology and the environment in nearly all aspects of life. TÜV Rheinland inspects technical equipment, products and services, oversees projects, and helps to shape processes and information security for companies. Its experts train people in a wide range of careers and industries. To this end, TÜV Rheinland employs a global network of approved labs, testing and education centers. Since 2006, TÜV Rheinland has been a member of the United Nations Global Compact to promote sustainability and combat corruption.
