General Terms and Conditions of Business of TÜV Rheinland Korea Ltd.

Valued from January 1st, 2013

1. Scope

1.1 The following terms and conditions apply to all services including consultancy services, information, deliveries and similar services as well as ancillary services and other secondary obligations provided within the scope of contract performance.

1.2 The client’s general terms and conditions of business, including the client’s terms and conditions of purchasing, if any, shall not apply and shall hereby be expressly excluded. No contractual terms and conditions of the client shall form part of the contract even if TÜV Rheinland Korea Ltd. does not explicitly object to them.

2. Quotations

Unless otherwise agreed, all quotations submitted by TÜV Rheinland Korea Ltd. shall be subject to change without notice.

3. Coming into effect and duration of contracts

3.1 The contract shall come into effect upon the quotation letter of TÜV Rheinland Korea Ltd. or a separate contractual document being signed by both contracting parties, or upon the work requested by the client being commenced by TÜV Rheinland Korea Ltd. If the client instructs TÜV Rheinland Korea Ltd. without receiving a prior quotation from TÜV Rheinland Korea Ltd. (quotation), TÜV Rheinland Korea Ltd. is – in its sole discretion – entitled to accept the order by giving written notice of such acceptance (including notice sent via electronic means) or by performing the requested services.

3.2 The contract term starts upon the coming into effect of the contract in accordance with article 3.1 and shall continue for the term agreed in the contract, or if no term is specified in the contract until TÜV Rheinland Korea Ltd.’s performance of the contract is complete.

3.3 If the contract provides for an extension of the contract term, the contract term will be extended by the term provided for in the contract unless terminated in writing by either party with a six-week notice to the end of the contractual term.

4. Scope of services

4.1 The scope of the services shall be decided solely by a unanimous declaration issued by both parties. If no such declaration exists, then the written confirmation of order by TÜV Rheinland Korea Ltd. shall be decisive.

4.2 The agreed services shall be performed in compliance with the regulations in force at the time the contract is entered into.

4.3 Furthermore, TÜV Rheinland Korea Ltd. is entitled to determine in its sole discretion the method and nature of the assessment unless otherwise agreed in writing or if mandatory provisions require a specific procedure to be followed.

4.4 On execution of the work there shall be no simultaneous assumption of any guarantee of the correctness (proper quality) and working order of either tested or examined parts nor of the installation as a whole and its upstream and/or downstream processes, organisations, use and application in accordance with regulations, nor of the systems on which the installation is based; in particular, no liability is assumed for the construction, selection of materials and/or assembly of installations, examined, or for their use and application in accordance with regulations unless these questions are expressly covered by the contract.

4.5 In the case of inspection work, TÜV Rheinland Korea Ltd. shall not be responsible for the accuracy or checking of the safety programmes or safety regulations on which the inspections are based, otherwise expressly agreed in writing.

4.6 Except as may be expressly provided in writing, TÜV Rheinland Korea Ltd. makes no other express or implied warranties regarding its services or deliverables to the client, and TÜV Rheinland Korea Ltd. hereby disclaims any and all implied warranties or warranties imposed by law, including warranties of merchantability or fitness for a particular purpose.

5. Performance periods/dates

5.1 The contractually agreed periods and dates of performance are based on estimates of the work involved which are prepared in line with the details provided by the client. They shall only be binding if confirmed as binding by TÜV Rheinland Korea Ltd. in writing.

5.2 If binding periods of performance have been agreed, these periods shall not commence until the client has submitted all required documents to TÜV Rheinland Korea Ltd. This also applies, even without express approval by the client, to all extensions of agreed dates for performance not caused by TÜV Rheinland Korea Ltd.

6. The client’s obligation to cooperate

6.1 The client shall guarantee that all cooperation required on its part, its agents or third parties will be provided in good time and at no cost to TÜV Rheinland Korea Ltd.

6.2 Design documents, supplies, auxiliary staff, etc., necessary for performance of the services shall be made available free of charge by the client. Moreover, collaborative action of the client must be undertaken in accordance with legal provisions, standards, safety regulations and accident prevention instructions.

6.3 The client shall bear any additional cost incurred on account of work having to be redone or being delayed as a result of late, incorrect or incomplete information or lack of proper cooperation. Even where a fixed or maximum price is agreed, TÜV Rheinland Korea Ltd. shall be entitled to charge extra for such additional expense.

7. Invoicing of work

7.1 If the scope of performance is not laid down in writing when the order is placed, invoicing shall be based on costs incurred. If no payment is agreed in writing, invoicing shall be in accordance with the TÜV Rheinland Korea Ltd. price list valid at the time of performance.

7.2 Unless otherwise agreed, work shall be invoiced according to the progress of the work.

7.3 If the execution of an order extends over more than one year and the value of the contract or the agreed fixed price exceeds €6,900.00, TÜV Rheinland Korea Ltd. may demand payments on account or in instalments.

8. Payment terms

8.1 All invoice amounts shall be due for payment without deduction on receipt of the invoice. No discounts shall be granted.

8.2 Payments shall be made to the bank account of TÜV Rheinland Korea Ltd. with immediately available funds as indicated on the invoice, stating the invoice and customer numbers.

8.3 In cases of default of payment, TÜV Rheinland Korea Ltd. shall be entitled to claim default interest at a rate of 8% above the base interest rate of the German central bank (Deutsche Bundesbank). At the same time, TÜV Rheinland Korea Ltd. reserves the right to claim further damages.

8.4 Should the client default in payment of the invoice despite being granted a reasonable grace period, TÜV Rheinland Korea Ltd. shall be entitled to cancel the contract, withdraw the certificate, claim damages for non-performance and refuse to continue performance of the contract.

8.5 The provisions set forth in article 8.4 shall also apply in cases in which the client is in default as a result of dishonoured cheques, incomplete or partial payment, cessation of payment, commencement of insolvency proceedings against the client’s assets or cases in which the commencement of insolvency proceedings has been missed due to lack of cooperation.

8.6 Objections to the invoices of TÜV Rheinland Korea Ltd. shall be submitted in writing within two weeks of receipt of the invoice. Failure to object in writing within two weeks of receipt of the invoice shall be deemed an acceptance of the invoice without objection.

8.7 TÜV Rheinland Korea Ltd. shall be entitled to demand appropriate advance payments in amounts reasonably determined by TÜV Rheinland Korea Ltd.

8.8 TÜV Rheinland Korea Ltd. shall be entitled to raise its fees at the beginning of a month if overheads and/or purchase prices have increased. In this case, TÜV Rheinland Korea Ltd. shall notify the client in writing of the rise in fees. This notification shall be issued one month prior to the date on which the rise in fees shall come into effect (period of notice of changes in fees). If the rise in fees remains under 5% per contractual year, the client shall not have any special right of termination. If the rise in fees exceeds 5% per contractual year, TÜV Rheinland Korea Ltd. shall be entitled to terminate the contractual relationship by the end of the period of notice of changes in fees. If the contract is not terminated, the changed fees shall be deemed to have been agreed upon expiry of the above period.

8.9 Only legally established and undisputed claims may be offset against claims by TÜV Rheinland Korea Ltd.

8.10 Title to the goods delivered or services rendered by TÜV Rheinland Korea Ltd. will pass to the client only when TÜV Rheinland Korea Ltd. has received payment from the client in full.

9. Acceptance

9.1 Any part of the work ordered which is complete in its form may be presented by TÜV Rheinland Korea Ltd. for acceptance as an instalment. The client shall be obliged to accept it immediately.

9.2 If the client fails to fulfill its acceptance obligation immediately, acceptance shall be deemed to have taken place 4 calendar weeks after performance of the work if TÜV Rheinland Korea Ltd. has specifically made the client aware of the aforementioned deadline upon performance of the service.
